

Title, Template for Conference Abstract (14 point type Bold, centered)

First Author (Last name)¹, Second Author (Last name)^{1,2}, Third Author (Last name)²

Presenting author should be underline

¹Affiliation and Address (12 point type, centered).

²Affiliation and Address (12 point type, centered).

E Mail/ Contact Détails (**presenting and corresponding author's**)

Authors presenting papers to International Conference on Advances in Functional Materials should use this template to prepare and upload the abstract online <http://afm2018.functionalmaterials.org/registration/>. Maximum length of the abstract text is 3000 characters including all spaces (excluding references) and page size should be 8.5" x 11", with a 1" margin all around. Times New Roman with 12 pt, line spacing 1.5 and all paragraphs should be justified throughout the abstract. **Abstracts should be submitted online in .docx format only.** Please provide key words at the end of the abstract before the references. The references should follow the Harvard style as given below:

Keywords: *Functional, template, materials, edition, solar cell (Maximum Five)*
